I/we hereby give to the Indiana Library and Historical Board and the Indiana State Library, which includes the Indiana Young Reader’s Center (collectively, “the Library”) an irrevocable, royalty free, non-exclusive license to use the Materials I/we submitted to the Hoosier Youth Chronicling COVID-19 project. The Materials submitted include the following and shall be referred to in this License to Use as “the Materials”:

The foregoing license includes permission to reproduce the Materials in any medium including, but not limited to, electronic; distribute the Materials in any manner including, but not limited to, electronically and worldwide on the internet; create derivative works of and otherwise use the Materials in any way in whole or in part in perpetuity with or without credit given to the original author. The Library may also create or allow to be created descriptions, abstracts, annotations, and other appropriate metadata in the Library’s collection indexes or finding aids.

I/we represent and warrant that I/we are the creator and copyright holder of the Materials and/or have all the necessary rights and licenses to the Materials including any third party works incorporated within the Materials (examples include copyright protected material within a photograph such as a business logo on a t-shirt or a painting or poster in the background of a photograph).

The original Materials may be added to the Library’s collection and therefore may be made available to researchers in a manner consistent with Library practices. The Library reserves the right to NOT use the Materials and/or NOT include the Materials in the Library’s collection. The Materials submitted to the Library will not be returned regardless of whether the Library uses them or places them in the Library’s collection or not.

The Library has no control over how others who view the Materials subsequently use the Materials and the Library is therefore not legally responsible for any such third-party use. I/we hereby fully and forever discharge and release the Library from any claim for damages of any kind arising out of the Library’s use or publication of the Materials. Such a claim for damages, which is hereby waived, may include, but is not limited to, invasion of privacy; defamation of character; false light or misappropriation of name, likeness, or image; disclosure of personally identifiable information including, but not limited to, personal health information provided in the Materials.

I/we agree that my/our submission of the Materials was completely voluntary and all of the information provided therein was done so voluntarily as an effort to share my/our story. I/we agree that I/we are not submitting any sensitive or personally identifiable information, including personal health information, about any third parties in the Materials, unless such third party has signed and submitted an appropriate release.

If any provision in this License to Use is determined by a court to be invalid, illegal, or unenforceable, it shall not affect the enforceability of any other provision in this License to Use.
